

Archaeological Technicians
3670 Quincy Ave., Ste. 203, Ogden, Utah

Commonwealth Heritage Group, Inc. (Commonwealth), is seeking several archaeological technicians for our Ogden Office. These are project-specific hourly fieldwork positions for an archaeological inventory near Winnemucca, Nevada starting in October 2018. The project is scheduled to last till mid-November. The project will involve staying at a hotel with an 8-day on/6-day off work schedule. Pay rate will be based on individual qualifications and experience. A \$51 per diem and single occupancy hotel room will be provided.

Desired qualifications include a bachelor's degree in anthropology (with an emphasis in archeology) and about two years of experience conducting archaeological fieldwork, preferably within the Great Basin. Candidates must be able to conduct fieldwork for 10-hour days in moderately challenging terrain under sometimes difficult weather conditions. If interested, please send a cover letter and copy of your resume to Megan Patterson at mpatterson@chg-inc.com.
