

Virginia Department of Transportation Statewide Cultural Resource Consulting Services

Location: Virginia
Date: 2011-present
Client: Virginia Department of Transportation

Commonwealth Heritage Group, Inc. (Commonwealth) was retained by the Virginia Department of Transportation (VDOT) to provide cultural resource consulting services statewide. These services include, and are not limited to, the identification, evaluation, and treatment of historic buildings, structures, districts, objects and sites for VDOT throughout Virginia. Commonwealth continues to assist VDOT with compliance work carried out in a regulatory environment pursuant to federal laws such as Section 106 of the National Historic Preservation Act and its implementing regulations, 36 CFR Part 800; the National Environmental Policy Act; and Section 4(f) of the Department of Transportation Act.

Commonwealth provides a full range of multi-disciplinary heritage management and consulting services that includes Archeological Assessments, Archeological Phase I survey, Archeological Phase II evaluations, Data Recovery Plans, Data Recovery Investigations, Archeological Monitoring, Historic Context Development, Architectural Identification Survey, Architectural Determine of Eligibility, Documentation of Architectural Properties, Public Interpretation and Educational Products, and more.
