

**Cultural Resource Field Technicians – TEMPORARY**  
**3670 Quincy Avenue, Suite 203, Ogden, UT 84403**

Commonwealth Heritage Group, Inc. (Commonwealth) is looking for two temporary Cultural Resources Technicians to work on two projects in southern Utah. Fieldwork will begin June 17th and will extend into July. There will be at least three 8-day field sessions (Wednesday to Wednesday), working 10-hours a day. Lodging and per diem are included. These positions are hourly with the pay rate between \$13 and \$15 per hour, based on individual qualifications and experience. Job Duties and Responsibilities:

- Conduct pedestrian archaeological survey, walking about 7 to 10 miles a day.
- Work in the field under the direct supervision of a Crew Chief while conducting archaeological fieldwork.
- Record water control features along a potential historic landscape using a TrimbleGPS, and thorough photo documentation.
- A willingness to learn and take direction, as well as, work as a team member.

Qualifications: A Bachelor's Degree in anthropology, archaeology, or a closely related field or field school or equivalent experience providing knowledge of archaeological survey and recordation techniques and methodology is preferred.

How to Apply: These positions will remain open until filled. If interested, submit resume with references and letter of interest to Megan Patterson at [mpatterson@chg-inc.com](mailto:mpatterson@chg-inc.com).
