

Field Archaeologist

Archaeological Consulting Services (ACS), now a Commonwealth Heritage Group, Inc. Company, has been providing cultural resource services in Arizona for 44 years and environmental planning services for 20+ years. ACS, now the Tempe, Arizona office of Commonwealth, is seeking to hire a Field Archaeologist for a one-to-two-week data recovery project beginning December 6 in Florence, AZ. A Bachelor's degree in Anthropology and a couple of months of previous field experience, preferably in Arizona, are required.

The duties of this position may regularly require standing, walking or climbing into and out of trenches and excavation units, using hands to manipulate items and to lift or carry them, talking, and hearing. They occasionally require crossing uneven terrain, climbing over fences, and stooping, kneeling, or crouching. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Pay levels are competitive and commensurate with experience. The benefits that come with this position are one hour of sick leave earned for every 30 hours worked, up to a total of 40 hours per year under the new Arizona state law. Lodging and per diem are provided for the working days. There is the potential for follow-on work.

Apply today! Please follow the directions to apply at: <https://www.commonwealthheritagegroup.com/careers/>. ACS/Commonwealth does not discriminate in employment opportunities or practices on the basis of race, color, religion, sex, veteran status, national origin, age, disability, or any other characteristic protected by law. This position is open until filled or December 3, 2021, whichever comes first.
